Further information can be found at: <https://www.education.gov.au/accs-child-wellbeing-guide>

Approved Child Care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (refer to Definitions) on behalf of eligible parents. Financial hardship involves an inability of the customer to pay bills, rather than an unwillingness to do so. Hardship can arise from a variety of situations. Hardship can be either of limited duration or long term. To illustrate, several of the common causes are listed below:

- Loss of employment of the customer or family member.
- Family breakdown
- Illness, including physical incapacity, hospitalisation, or mental illness of the customer or family member

BACKGROUND

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the year before school. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend a funded kindergarten program free of charge in the year before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

Regulation 168(2) (n) of *Education and Care Services National Regulations 2011* requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the Kindergarten Fee Subsidy requirements (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

Approved child care providers are providers that meet certain standards and requirements, and are approved by the Australian Government. Approved child care providers must:

- hold the required approvals or licences to provide child care in the state or territory that the service/s operate in
- ensure the Nominated Supervisor and any individual who is or will be a *Person with Management or Control of the Provider* is fit and a proper person to administer the CCS (requirements set out in Section 194E of A New Tax System (Family Assistance) Act 1999).
- be financially viable and is likely to remain so
- ensure that required fit and proper checks are carried out for each *Person with Management or Control of the Provider*, *Persons with Responsibility for Day-to-Day Operation of the Service* and *In-Home Care and Family Day Care Educators*

The amount payable is determined by the circumstances of the applicant's including the family income, the hourly rate cap and the hours of activity undertaken by the parents. Further information for parents can be found here: <https://www.humanservices.gov.au/individuals/services/centrelink/child-care-subsidy>.

Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of kindergarten free of charge. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy in the year before school if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Exclusions and exceptions: Not available for approved child care services in receipt of Commonwealth Child Care Subsidy.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

Early Start Kindergarten Fee Subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan – refer to *Hardship Policy*.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment

plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.

- The Nominated Supervisor will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

Notification of fee changes during the year

Parents/guardians will be notified 14 days in advance of any program fee increase.

EVALUATION

In order to assess whether the values and purposes of the policy have been achieved, the Nominated Supervisor will:

- regularly seek feedback from everyone affected by the policy regarding its effectiveness, particularly in relation to affordability, flexibility of payment options and procedures for the collection of fees
- monitor the implementation, compliance, complaints and incidents in relation to this policy
- monitor the number of families/children excluded from the service because of their inability to pay fees
