AUTHORISATION

This policy was adopted by the Bubup Womindjeka Family and Children's Centre Board of Governance on 15th August 2016.

PURPOSE

This policy outlines procedures to be followed when:

- obtaining written authorisation from a parent/guardian or person authorised and named in the enrolment record
- refusing written authorisation from a parent/guardian or person authorised and named in the enrolment record.

PRINCIPLES

Bubup Womindjeka Family and Children's Centre is committed to:

- ensuring the safety and wellbeing of all children attending the service
- meeting its duty of care obligations under the law
- ensuring that the service has the capacity to deliver current approved first aid, as required.

SCOPE

This policy applies to the Approved Provider, Persons with Management or Control, Nominated Supervisor, Persons in Day to Day Charge, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Bubup Womindjeka Family and Children's Centre.

DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Attendance record: Kept by the service to record details of each child attending the service including name, time of arrival and departure, signature of person delivering and collecting the child or of the Nominated Supervisor or educator (Regulation 158(1)).

Authorised nominee: (In relation to this policy) a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Duty of care: A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

Inappropriate person: A person who may pose a risk to the health, safety or wellbeing of any child attending the education and care service, or whose behaviour or state of mind make it inappropriate for them to be on the premises e.g. a person under the influence of drugs or alcohol (Act 171(3)).

Medication record: Contains details for each child to whom medication is to be administered by the service. This includes the child's name, signed authorisation to administer medication and a record of the medication administered, including time, date, dosage, manner of administration, name and signature of person administering the medication and of the person checking the medication, if required (Regulation 92).

BACKGROUND

Under the National Law and Regulations, early childhood services are required to obtain written authorisation from parents/guardians, and/or authorised nominees (refer to *Definitions*) in some circumstances, to ensure that the health, safety, wellbeing and best interests of the child are met. These circumstances include but are not limited to:

- self-administration of medication (Regulation 96)
- children leaving the service premises (Regulation 99)
- children being taken on excursions (Regulation 102).

Specific service policies (including the *Administration of Medication Policy*, *Delivery and Collection of Children Policy*, *Enrolment and Orientation Policy* and *Excursions and Service Events Policy*) should include details of the conditions under which written authorisations will be accepted. However, there may be instances when a service refuses to accept a written authorisation. The *Education and Care Services National Regulations 2011* (Regulation 168(2) (m)) specify that services are required to develop a policy in relation to the acceptance and refusal of authorisations to help educators/staff and parents/guardians understand exactly what they need to do. This policy outlines procedures to be followed when refusing a written authorisation from a parent/guardian or person authorised and named in the enrolment record.
